

**DEMOGRAPHICS**

Population (2017):  
**2496**

Main ethnic group:  
**Cheng**

Other ethnic group:  
**Lao**

Religion:  
**Buddhism**

**Ecosystem & Services:**

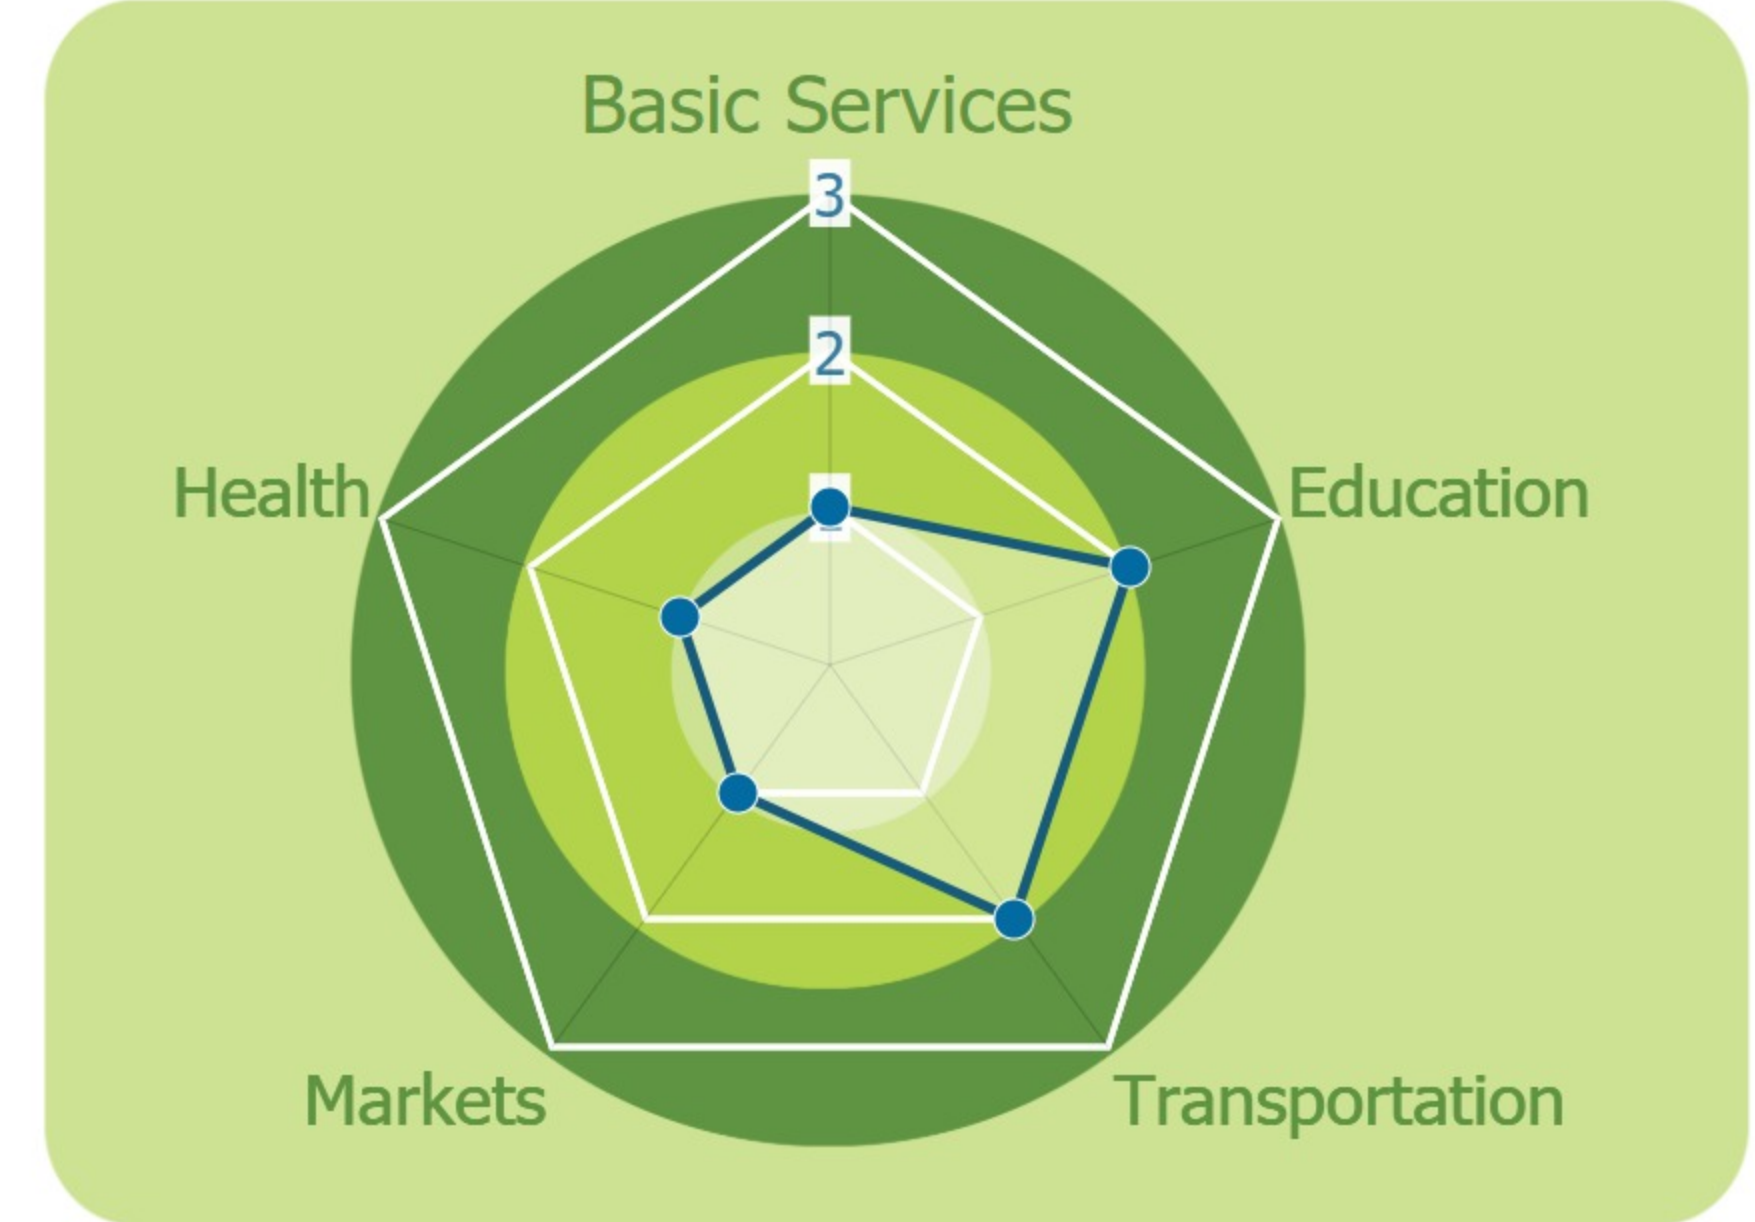

- **Rice**

**Sources of Income:**

- **Subsistence agriculture**
- **Livestock**
- **Casual labor**

**Education:**

- **Primary**
- **High school**

**HEALTH**

- Water-bourne:**  
Diarrhea  
Eye
- Vector-bourne:**  
Dengue  
Malaria

**CLIMATE CHANGE & DISASTERS**

**Changes over the past 30 years**

**1 every 3-5 years**  
Houses  
livelihoods  
Less severe

Not changing

**No Landslides**

**DRY SEASON**      **WET SEASON**

**Significant Increase**      **No change**

**No change**      **Significant decrease**

**IMPACTS:**  
Health / Livestock

**ENVIRONMENTAL ISSUES**

**Deforestation impacts**

No deforestation activity

**Hydropower impacts**

No positive impact

- Water availability (-)

**Mining impacts**

No mining activity

**VULNERABILITY INDEX**

**Hazard Intensity: 2.2**

**Sensitivity: 2.67**

**Ranking: 5.87**

**PRIORITIES & NEEDS**

1. Construct water facility (gravity fed)
2. Improve water quality
3. Build latrine (Sanitation)
